

Hi to all our Co-op members from 2017,

I hope your 2018 is going well so far.

I will attempt to keep you up to date with co-op news and happenings with a monthlyish newsletter. If anyone would like to take on an active role of creating a format for a newsletter and typing it up for me each month, that would be a great active role and a great help to me.

Please let me know if this task sounds like you.
